EMPLOYMENT HISTORY

CGN Global - Supply Chain Management Consultant

Apr 2018 - present @ Illinois, US

- Participated in a supply chain footprint improvement project for a \$17B coffee roasting company through the evaluation and design of their network, enabling their growth goals for the next five years.
- Reduced past due pieces from 1000+ to 30 in nine months in a supply chain transformation project at a manufacturing company by improving processes like Sales & Operations Planning and production scheduling.

Safran Electrical & Power - Manufacturing Process Engineering

Jul 2014 - Jul 2016 @ Denton, TX, US & Chihuahua, MX

Aug 2015 - Jul 2016 - Manufacturing Process Engineer @ Chihuahua, MX

- Coordinated a manufacturing cell transfer from Denton, US to Chihuahua, MX.
- Increased efficiency from 53% to 96% in a five-month period, while reducing internal quality issues and having no quality escapes to the customer.

Jul 2014 - Jul 2015 - Manufacturing Process Engineering Trainee @ Denton, US

- Collaborated closely with production associates in preparation for Production System audits. Achieved Silver status in 13 out of 14 work cells.

Cadena Comercial OXXO - Invoiced Not Delivered (IND) Auditor

Jan 2013 - Jul 2014 @ Chihuahua, MX

- Generated savings of around \$40kUSD through the reduction of IND from 0.23% to 0.12% in 18 months.
